REMARKS

The above-identified notice indicated that the original Sequence Listing was defective in that the sequences on pages 5 and 9 of the specification were not included in the Sequence Listing. In response, Applicants have amended the paper Sequence Listing to include these sequences. The undersigned hereby certifies that the amendments to the paper Sequence Listing are fully supported by the application, as filed, and that the replacement sheets attached do not include any new matter.

Also submitted is a copy of the paper Sequence Listing as amended above in a computer readable form. The undersigned hereby certifies that the content of the attached computer readable form is identical to the paper Sequence Listing as

amended above. No new matter has been added.

Early and favorable action is earnestly solicited.

Respectfully submitted,

SPRUNG KRAMER SCHAEFER & BRISCOE
